Dear Doctors,

The Primary Care team have been requested to ensure all our practices are aware of the facilities available for Antigen testing in the borough.

As you are aware the Assessment Centre (Covid Hub) at the Willesden Centre for Health and Care continues to operate, the hub operates from 11am to 5pm Monday to Friday and Saturday 12 pm to 4 pm and provides the following services:

- Antigen testing for symptomatic primary care staff and their families (booking details below)
- Accept booking for patients with Covid or suspected Covid patients
- Undertake face to face consultation, after triage, of covid or suspected covid patients
- Undertake home visits, if deemed necessary for Covid patients if deemed necessary
- Remote monitoring of patients oxygen saturation levels, on practice caseload

Facilities for antigen testing are available at the following sites:
